

EAGLES EDITION

Principal's Message

Robin Yeargain

Dear EDUPRIZE Parents,

There are 5 weeks of school left, which is 24 days and they are going to fly by! We have so many activities and events, so make sure to check the calendar at a glance AND your child's weekly newsletter from the teacher to not miss out on anything!

Next week we have our Scholastic Bookfair and it's a BOGO. This is a great opportunity to stack up on some books for the summer, because the more books means the more reading, and the more reading will help increase fluency and comprehension, which is tied to successful learning! There is a Scholastic flyer below that lists the hours of operation as well as how students can pay for items at the Bookfair.

Speaking of reading, one of the events coming up is Water Day which students earn by reading 100 hours each year. Hopefully you have been turning in your child's reading calendars each month to earn this fun day. Last year, we made a change requiring all students to wear shorts and a t-shirt over their bathing suit for this special day. This change honors our handbook dress code. In addition, students are encouraged to wear water shoes and sunscreen as well. Coach McLeland and the specialists have planned a super fun day for all the students that have met the 100 hours of reading for the year.

- 1st & 2nd graders have Water Day on May 7th
- 3rd & 4th grade students have it on May 8th
- 5th & 6th grade students have it on May 9th.

Water day is always a highlight for the students and a great way to triumph this year!

If your child has read 200 or more hours, s/he will be having Pancakes with the Principal the week after Water Day! This extra special treat is a fun time to eat, hang out and we will be telling some funny jokes!

With such a busy schedule, teachers can really use volunteers in the classroom. Check in and see how you can help.

Thanks for your continued support and I look forward to seeing you on campus for our upcoming events!

Kindly,
Robin

HANDICAPPED PARKING

Please remember we have students at our school who require the handicapped parking spots to get in and out of their parent's cars.

- Do NOT use the superintendent parking spot, even for quick drop offs.
- Only those who have parking passes to allow handicapped parking may park in those designated areas.
- Please be aware that some cars parked in the handicapped spots require wheelchair ramps to get their child in and out of the car. Please be courteous around those parked cars to allow space and drive slowly.
- No cars should be in the loading zone area at any time.

Thank you for your help to keep our students and families safe. We know drop off/pick up times can get crazy and appreciate you adhering to this rules.
