

EAGLES EDITION

Principal's Message

Hello Eagles,

As we begin to wrap up the school year, please encourage your student to work hard to the finish line. We have fourteen days of school left. If your student(s) are earning less than a C grade in one or more classes, you will likely receive communication from their teacher(s). We want to do our best to support student learning and success, and providing communication is a key role to that success.

We would also like parent(s)/guardian(s) to talk to their student(s) about appropriate behavior at school. We are seeing an uptick in student conduct referrals. While everyone knows students and teachers are ready for summer break, the expectation is that students adhere to the behavior expectations outlined in the student handbook.

On Saturday, May 4, 2024 there are two big events happening:

Our Varsity Girls Football team will be competing in the first round of the state playoffs. Competition begins at 6:15 PM at ASU West Field 16. The winner of the game will play for the Championship Title at 7:45 PM on Field 1. We wish our girls team the best of luck!

Our Junior/Senior Prom is also on May 4, 2024 from 7:00 - 10:00 PM at Mesa Country Club. Tickets are \$35 at the door.

Have a great weekend Eagles!

Warm Regards,
Dr. Jennifer Murphy

INTERNATIONAL BACCALAUREATE

Amy Smith
IB Director

IB Day of Service: Second semester IB Day of Service was a big hit. The students worked in the garden, painted areas outside that were in need of repair, helped with classroom libraries and worked with elementary students. It's fun to see them interact with the younger students and it really helps keep our grounds looking fresh.

IB Testing: IB exams began last Thursday with math and will continue on and off until May 15th. Many of the IB seniors will also be taking an AP Calculus exam on May 24th. In most cases, the students have been preparing for two years for these exams, so it is a lot of pressure. If you see one of these kiddos, be sure to tell them good job!

IB ELA SL: As previously mentioned, ALL incoming juniors will take IB SL instead of the previously taught English course. One teacher described this as "rebranding" without too much of a change. Students will still be utilizing MyPerspectives along with reading 4 texts over a two year period. Teachers will incorporate the IB Learner Profile along with IB Standards and Practices to ensure that the needs of ALL students are being met. Then, at the end of their senior year, students can choose to take the IB exam for a chance at college credit—stay tuned for more information as that time gets closer. If you'd like more information about this initiative and how other schools are doing this, feel free to visit this website Please check AZCAAPREPS.COM regularly for up-to-the-minute game schedule and locations.
