

EAGLES EDITION

Principal's Message

Robin Yeargain

Dear EDUPRIZE Parents,

Four weeks...that's all that is left of this school year! While it is exciting to come to the end and to have celebrations, we still have 19 more days to accomplish things!

We still have:

- Classroom learning with regular lessons every day in all subjects, which include homework...daily
- End of year assessments, STAR and Galileo, April 26th-May 10th
- Field trips and fun activities...daily
- Staff Appreciation Week, April 29th-May 3rd.
- Teacher Appreciation Week, May 6th-10th.
- Water Day...May 7th, 8th and 9th
- Wax Museum for 5th grade....May 7th and 8th
- Volunteer Appreciation Celebration...May 10th
- Cottage Fair...May 14th and 15th
- End of Year Assembly...May 17th
- Kindergarten Promotion...May 17th
- Kindergarten Water Day..May 20th, 21st and 22nd
- PreK Promotion...May 22nd
- Last day of school...May 23rd!

It's going to be great! We have an acronym for EDUPRIZE that stands for: **E**ngagement, **D**ifferentiation, **U**nified Community, **P**roject-Based Learning, **R**eteach & enRich, **I**nquiry & Innovation, **Z**ealous Celebrations, and **E**xcellence!

Each quarter we embrace these core values and want to demonstrate them in all that we do. As we finish up the year and have worked on **Leveling Up**, these core values are magnified and celebrated in all the activities. I hope that you will be able to come see these values highlighted, as our students are abounding in success!

I'll see you around!

Kindly,
Robin

SEL CORNER

(SOCIAL AND EMOTIONAL LEARNING)

Dear EDUPRIZE families,

At this point in the school year, kids get so excited that they struggle to show self-control. Here is a [website with 25 self-control activities](#) that teachers can try at school or you could try at home to help with that! A few of them are:

Calm-down strategies - Sometimes kids struggle to control themselves because they have a hard time managing their emotions. Spend just 5 or 10 minutes a day practicing some different [calm-down strategies](#) together: deep breathing, coloring, exercising, listening to music, reading, journal writing, and even talking about our feelings.

Countdown - Have your child(ren) make their own paper airplanes. Then, have them count down from 10 (or whatever number you choose) before they are allowed to toss the airplane. The wait time allows kids to build self-control as they wait their turn.

Wait time game - Ask an [engaging question](#), but don't let your child answer right away. Have them hold their thought in their heads and give wait time. This allows kids a chance to think of a response, and it also builds self-control by waiting before sharing their thoughts.

HANDICAPPED PARKING

Please remember we have students at our school who require the handicapped parking spots to get in and out of their parent's cars.

- Do NOT use the superintendent parking spot, even for quick drop offs.
- Only those who have parking passes to allow handicapped parking may park in those designated areas.
- Please be aware that some cars parked in the handicapped spots require wheelchair ramps to get their child in and out of the car. Please be courteous around those parked cars to allow space and drive slowly.
- No cars should be in the loading zone area at any time.

Thank you for your help to keep our students and families safe. We know drop off/pick up times can get crazy and appreciate you adhering to this rules.

22-23 Accident Coverage

Add

www.studentinsurance-kk.com to your school's website

Adding a link to your school's website may make it easier for parents to enroll their students in your endorsed student insurance plan. Our website, www.studentinsurance-kk.com, provides easy online enrollment. You can choose from simply adding a simple text link or something more descriptive

Suggested samples for adding www.StudentInsurance-KK.com to your school/district website:

As you select a listing from the samples below, please set up your choice with a hyperlink to <http://www.studentinsurance-kk.com>

1. Simple Text Options (with hyperlink)

- example a.* **Enroll in Student Insurance Here**
example b. **Quote/Buy Student Insurance Online**

2. Descriptive Text Options (with hyperlinks)

- example a.* **Student Accident Insurance** and the following paragraph either directly below or as a popup option. The paragraph also contains 2 hyperlink options (in bold).

*Our school/district has selected the **Student Insurance Plan** from K&K Insurance Group to make reliable coverage available to parents. If you don't have other insurance, this plan may be a resource to consider. Additionally, even if you have other coverage, this plan can help fill expensive "gaps" caused by deductible and co-pays. Coverage may be purchased at any time during the school year by visiting www.studentinsurance-kk.com.*

- example b.* **Student Accident Insurance** and the following paragraph either directly below or as a popup option. The paragraph also contains 1 hyperlink option (in bold).

If you do not have the ability to add links to your website, simply pass this sheet along to the technology team responsible for your school/district website. You may encourage individual schools to add this to their own sites as well. If you need additional assistance, please send an email to info@studentinsurance-kk.com.
