

Welcome to Miss Sabalboro's 2nd Grade Class!

What goes on in 2nd grade

I am so excited for you to join in on all the fun in 2nd grade. There are a few things I would like you to know before coming into the class. I believe that there is always a way to figure out a tough problem, big or small, we can conquer it all. My biggest priority is making sure my students feel safe and welcomed everyday before entering in the door. I am also big on building relationships with not just me, but with our peers as well. I can't wait to meet all of you and I hope you have a great year in our class.

A Little About Miss. Sabalboro

Hello, my name is Kanoelani Sabalboro-Toyama. This will be my fourth year teaching at EDUPRIZE and my third year being in 2nd grade. I was here at EDUPRIZE when I was a student teacher and am so fortunate that I got to stay at this amazing school. I received my Bachelor's degree in Elementary Education at Northern Arizona University in 2022. I am originally from Hawaii and moved here in 2017. I love to spend time with my family when I see them and love trying new foods.

Manga books

I am a strong believer in teaching students about all the different types of books they can read. Manga books are Japanese animated books that are read in reverse! It is a very different way on how they read a story and they come in a variety of reading levels. When I was growing up, I use to read manga books and would like to grow the class collection. If you have more questions about these types of books I will have examples of them in my library at open house.

If you have any questions beforehand, please reach out to me via email.
